Dear Minister Oraziatti,

RE: Spring Bear Hunt

The Federation of Northern Ontario Municipalities wishes to express its concern over the lack of communication from the Ministry of Natural Resources to municipalities and other stakeholders since the announcement of the Spring Bear Hunt on November 14, 2013.

Municipalities located within listed Wildlife Management Units had to opt into the pilot program in order to be eligible. Municipalities who have since done so have not heard from your Ministry and have notified FONOM.

FONOM asks that the Ministry of Natural Resources communicate to those who have opted into the program and provide an update on the current state of the program.

FONOM is willing to work with you and your Ministry to assist in this communication where possible.

Sincerely,

Alan Spacek
President
