Dear Minister McMeekin, *Ted!*

On behalf of the Federation of Northern Ontario Municipalities (FONOM), we would like to express our sincere gratitude for meeting with our organization during the Ontario Good Roads Association (OGRA) / Rural Ontario Municipal Association (ROMA) on February 22, 2016.

FONOM addressed several issues with a number of your Cabinet colleagues including the Ring of Fire, development of a long-term strategy to four-lane the TransCanada highway, infrastructure funding, assessment methodologies developed by the Municipal Property Assessment Corporation (MPAC), non-urgent patient transfers, public health units, Northern industries, the Ontario Electricity Support Program (OESP) and the utilization of crown land for agricultural development.

Once again, thank you for meeting with our organization and we look forward to working with you and your Ministry.

Sincerely,

Alan
