President's Message

Danny Whalen, *President, FONOM*

Greetings from the Board of Directors of FONOM!

It brings us immense pleasure to extend a warm welcome to all delegates, sponsors, and exhibitors attending our 63rd Annual Conference, graciously hosted by the City of Greater Sudbury.

This year, our theme is "**Unlocking the North's Potential**," recognizing Northern Ontario as a vital economic force for the province's future. Throughout the conference, attendees will be able to engage with various speakers and sessions, focusing on innovative strategies and best practices tailored to communities of all sizes to realize the North's full potential.

We wholeheartedly encourage everyone to explore our exhibitors' and sponsors' offerings. Their generous support is integral to the success of this conference, and we express our sincere gratitude for their commitment to Northern Ontario's growth and development.

A special thank you goes to the City of Greater Sudbury for their exceptional hospitality as this year's host. Their dedication has been

instrumental in ensuring the success of our gathering.

Over the course of three days, our conference will provide valuable insights and updates relevant to elected officials and senior administrative staff. It also serves as a platform for networking, idea exchange, and discussions on future initiatives.

To our returning attendees, hello again and welcome back! We hope this conference exceeds your expectations. And to those joining us for the first time, we say hello and extend a heartfelt welcome. We trust this marks the beginning of a fruitful relationship with our organization.

We wish you all a delightful and fruitful time at our annual conference and business meeting. Here's to making lasting connections and advancing our shared goals!

Sincerely,

A handwritten signature in blue ink, appearing to read "Danny Whalen". The signature is fluid and cursive, written over a white background.

Welcome to Greater Sudbury

Paul Lefebvre, Mayor of Greater Sudbury

Welcome FONOM Conference Delegates, Exhibitors and Sponsors! On behalf of the City of Greater Sudbury, I welcome you to the 2024 FONOM Northeastern Municipal Conference, 'Unlocking the North's Potential'.

The Conference Program offers a diverse and balanced mix of session topics that connect to all of us here in the North, as we look to prosper in the years to come and embrace what makes each of our communities unique.

In addition to the events taking place at the Holiday Inn this week, I hope you take some time to explore and experience Greater Sudbury for yourselves.

As the largest geographical municipality in Ontario, it is a rich,

urban centre surrounded by smaller communities, each with their unique character and heritage. Greater Sudbury is an outdoor oasis, home to 330 lakes, with friendly people and a bustling cultural scene.

Thank you for joining us at the 2024 Federation of Northern Ontario Municipalities Conference. We look forward to connecting and hosting you again.

Best wishes to all for a successful conference.

Sincerely,

A handwritten signature in black ink, appearing to read 'Paul Lefebvre'. The signature is fluid and cursive, written on a white background.

Thank you to our Conference Sponsors
